

## Giving Physicians a Collective Voice

### LEGISLATIVE

The Metro Omaha Medical Society (MOMS) and the Nebraska Medical Association (NMA) provide physicians a strong, collective voice when it comes to legislation that affects how they practice medicine.

#### STATE SENATOR BREAKFASTS

MOMS member physicians discuss health care issues with state legislators representing the Omaha metro area.

#### MONITOR PROPOSED LEGISLATION

The NMA closely monitors the Nebraska State Legislature and its committees. They educate our lawmakers and work cooperatively with them to introduce legislation.

#### CULTIVATE GRASSROOTS SUPPORT

Both organizations identify member physicians to testify in regard to key pieces of legislation.

## Together We're Stronger

### PEER-TO-PEER NETWORKING
