## Please plan on attending this important presentation!

### EHR Nebraska Adoption Project

The Nebraska Medical Association, through funding by the Physicians Foundation for Health Systems Excellence, has developed and implemented a project titled "EHR Nebraska".

The purpose of EHR Nebraska is to provide expert resources, tools, and education to physicians and practice management staff to assist in the adoption and successful implementation of an electronic health record (EHR) system.

You and your practice management staff are cordially invited and encouraged to attend a presentation of this project on:

**Wednesday, June 13<sup>th</sup> 2007**  
**Nebraska Orthopaedic Hospital**  
**2808 S 143<sup>rd</sup> Plaza-Large Conference Room**  
**Omaha, NE**  
**Six O'clock in the evening**  
**Dinner will be served**

**Thursday, June 14<sup>th</sup> 2007**  
**Lincoln Medical Education Foundation**  
**4600 Valley Road-Classroom 1**  
**Lincoln, NE**  
**Six O'clock in the evening**  
**Dinner will be served**

If you are in the beginning stages, middle stages, or have selected an EHR system and are not maximizing efficiencies of the system, you need to attend this program.

#### **Topics of Discussion:**

- Performing a practice needs assessment
  - Understanding interoperability
  - Determining practice readiness
- Proper preparation for implementing an EHR system
- Budgeting - Be sure you understand ALL the costs
  - Converting old data - Your legal obligations
  - Negotiations and purchasing of systems
    - Return on investment

The NMA is bringing this program to Nebraska providers at no cost (similar programs cost hundreds of dollars per attendee). Space is limited so register now.
